HOMELITE

The PORTABLE Electric Light and Power Plant

The safest
The most reliable
The most economical, and
The most useful general purpose
plant made.

CONSTRUCTION

Is simple, compact and strong, made of few parts of the
best material, accurately machined, carefully inspected
and tested. No pains or expense are spared to make it a
high grade durable product. The engine, generator, car-
buretor and magneto are all combined in one unit and so
shipped. There is no assembling or setting up to be done,
except to connect the exhaust pipe.

USES

It is unnecessary to enumerate the many uses to which Homelite can
be put. It is covered by the broad statement — anywhere that elec-
tricity is wanted, and that means practically everywhere; and with
Homelite it is not limited to localities where there are no public ser-
vice lines. There are uses for it even in large cities. Electric lights
have long since ceased to be a luxury. They are a necessity and an
economy. Users who have had experience tell us that their Homelite
plant costs them less than kerosene lamps did formerly, to say noth-
ing of better light and the advantage of cooking, ironing and wash-
ing. Every woman is entitled to the comfort and lessening of work
that she will have from a lighting plant. HOMELITE was designed
to meet a broader field of requirements than any lighting plant her-
etofore made. It has been thoroughly tried, tested and has proven
our claims for it. It is now in use on boats, in homes, hotels,
churches, moving picture theatres and other places, on fishing boats
in Japan, and for general uses in Argentine, Europe, Central Amer-
ica, and Mexico.

HOMELITE Electric Light and Power Plant is guaran-
teed for one year and is sold on a time payment plan of
25 per cent down payment and balance in 6, 8, 10 and 12
equal monthly payments, or 25 per cent down payment
and balance in 3, 4, 5, 6, 7, 8, 9 and 10 months.

Don't fail to see the HOMELITE plant and get prices
and literature.

Prices of HOMELITE plants as low as
\$250.00 to \$360.00 delivered.

Miss Mary Frances Baldwin, the talented daughter of Editor and Mrs. Harold Baldwin of Sabinal, was the guest of the Misses Griffiths this week, and enjoying a much needed vacation. Miss Baldwin has been leading the strenuous life for the past several months, a breakdown in her father's health last fall having necessitated her returning home from the State University, where she was a student, and taking her father's place on the Sentinel which he has published for many years. Miss Baldwin was making good as an editor and publisher, giving the people a much better paper than their patronage justified, but the continued ill health of her father induced her to leave the paper out. The management was taken over by Editor Walter Brandon last week who, as an experienced newspaper man, will continue to keep the Sentinel up to its high standard. After her strenuous experience, Miss Baldwin is enjoying her rest.

MRS. RUTH S. WILLIAMS

The dead body of Mrs. Ruth Williams, aged 23 years, was taken off the Sunset Limited here Tuesday morning. She, in company with husband and two little children enroute to California, where they were journeying in hope that change would prolong the time of the deceased, a victim of that scourge of the human race, the white plague. The exact time of the death of Mrs. Williams is not known. Her husband was at her berth-side at 12 o'clock, but had again lain down to gain a little sleep, and when again went to see her, death intervened, supposedly between Hondo and San Antonio.

The body was carried to the home of Mrs. Holly, and when the ladies of Hondo learned of the occurrence, many of them did what they could to render aid in the distressing situation. The family very poor, the husband stating it took practically all of their money to pay for their railroad tickets to California, where they were going to the home of relatives.

While the ladies prepared the body for interment, providing the shroud and other necessary raiment, some of the big-hearted men passed around the subscription lists to raise funds for the return trip to a little town near Atlanta, Georgia, where the body was taken for burial.

The body accompanied by the husband and two little children, eldest about two-and-one-half years old, and the other a nine-month old baby, left on the Wednesday evening's east bound train for the sad homeward journey, after babies had been provided with clothing. This was one of the most distressing occurrences that has occurred in the annals of Hondo.

CARD OF THANKS.

We take this means of extending our heartfelt thanks to our neighbors and friends for their kindness and assistance during the last illness and death of our beloved father, the late Fritz Boehle. We are especially grateful to Revs. Hasskarl and Falkenberg for the kind words spoken at the funeral, to the Lutheran League for the beautiful songs sung and to all for the lovely floral offerings. Your every thoughtful consideration will ever be gratefully remembered and appreciated.

Respectfully,
Mrs. Rosa Boehle,
and Children.

NOTICE TO STOCKMEN.

If you expect prompt service when shipping cattle to Native Yards or otherwise, or trucking and driving out of this County, please notify me two or three days ahead, as all local inspectors are very busy now and am called away a great deal of the time.

Respectfully Yours,
H. F. WURZBACH,
Inspector L. S. S. Commission of Texas.

ABOUT BIRTH RECORDS.

TEXAS STATE BOARD OF
HEALTH
AUSTIN, TEXAS.
March 27, 1924.

Greetings:

We are pleased to give you a
report of the Birth efficiency of your
County for the past six months as
follows:

Sept. 1923 to Feb. Inc. 85%

The percentage for the State as
a whole is now 72 per cent. This
leaves 18 per cent to be gained be-
fore Texas may be admitted to the
United States Birth Registration
Area.

We feel that we cannot stress too
strongly the importance of the
County Clerks and City Registrars
filing reports of all births and deaths
which occur in their respective
Counties and Cities, for this is the
only way to gain admittance to the
Federal Registration Area.

We shall greatly appreciate a con-
tinuance of the co-operation which
you have given us during the past.

Very Sincerely yours,
BUREAU OF VITAL STATISTICS,

ANOTHER BARN FIRE.

A fire of mysterious origin destroyed the barn on the ranch of Mrs. George E. Schmidt at 5:00 o'clock Tuesday morning. Besides the building a considerable quantity of hay, corn, cottonseed and milo maize seed, a new truck, the property of Mr. Overton Schmidt, harness and other equipment, was consumed. The fire started at the west end of the barn and had made great headway before being discovered, in fact it had made such progress that it was impossible to rescue much from the doomed building.

The building was a commodious, well-built structure—built before material went so high, was in a good state of preservation, and its loss is a serious one. It contained the year's corn supply, besides other feed stuffs, planting seed, etc., the total loss on building and contents approximating \$3,000. No insurance was carried.

The fodderstacks to the west of the barn escaped destruction, the wind carrying the flames in the opposite direction, otherwise Mr. Schmidt would probably have lost his entire year's feed supply. This was one of the most severe barn fires that has occurred in this section for sometime. The losers have the sympathy of every one in their loss.

FRITZ BOEHLE DEAD.

Last Friday morning at about 3 o'clock Mr. Fredrick William Boehle, better known among his friends as Fritz Boehle, died at his home in Quihi. Mr. Boehle, who was born and raised in this community and lived all his life time here, was well and favorably known and highly respected by everybody in this and the adjoining communities. His burial took place at 4 P. M. on the 11th in the new cemetery. The funeral was one of the largest ever held here. The funeral services were conducted by Rev. Hasskarl of the Quihi Lutheran church of which Mr. Boehle was a lifelong and faithful member. In addition to Rev. Hasskarl's sermon the Rev. A. Falkenberg of Hondo, an old and intimate friend of the deceased, also made a very touching address at the grave. The service was greatly beautified by suitable German hymns sung by the large concourse of people present and several English selections by the Lutheran church choir led by Mrs. Hy. Schuehle and Mr. Jacob Saathoff. The floral tributes were many and beautiful and literally hid the grave from view. The Sons of Herman acted as pall bearers and escorted the remains to the grave. The same were: Wm. Reitzer, John Brucks, Joe Balzen, H. H. Saathoff, Phil Haass and Aug. Schuehle.

Frederick William Boehle was born in the Quihi community Dec. 12th, 1865. He was the son of the late Henry Boehle and wife, Mary, nee Aden. He was baptized and confirmed in the Lutheran church and remained faithful to his sacred confirmation vow. As a young man he was united in marriage with his now mourning widow, then Miss Rosina Seibel. The issue of this union were four sons and five daughters. Of these the following survive the departed father: Henry, Joseph and Edwin of Quihi and Ernest of Hondo, Mrs. Julius Brucks and Miss Lisetta Boehle of Quihi, Mrs. Hy. Nietenhoefer of New Fountain and Mrs. Louis Grell of Hondo. He is furthermore survived by his brother, Luebbe Boehle, of Quihi and his stepbrothers, John, Matthias and Ehme Saathoff, of New Fountain, and thirteen grandchildren. He was preceded in death by his sister, Mrs. Fredericka Vogt, of Alpine and his half sister, Mrs. Antje Duis, who passed away a number of years ago.

ANNOUNCEMENTS.

FOR COMMISSIONER PRECINCT NO. 1.

I hereby announce myself as a candidate for county commissioner of Precinct No. 1, Medina County, and solicit the votes and support of the people of the precinct.

Yours very truly,

T. J. SAUTER.

WHAT MY NEIGHBOR SAYS

Is of interest to Hondo Folks.

When one has had the misfortune to suffer from backache, headaches, dizziness, urinary disorders and other kidney ills—and has found relief from all this sickness and suffering, that persons advice is of untold value to friends and neighbors. The following case is only one among thousands, but it is that of a Hondo resident. Who could ask for a better example?

F. H. Bohlen, proprietor of repair shop, says: "My back ached and I had a dull pain in my kidneys. I was often dizzy and black specks appeared before my eyes. My kidneys acted irregularly and the secretions were highly colored and burned in passage. I used Doan's Pills and they cured the attack. My back is now as strong as iron and my kidneys act regularly."

Price 60c, at all dealers. Don't simply ask for kidney remedy—get Doan's Pills—the same that Mr. Bohlen had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Severe Pains in Side

"I HAD had quite a bad spell and sickness," writes Mrs. Emma Patrick, of Caney, Ky., "and it was an effort for me to go about my home. I had a very severe pain in my left side that almost took my breath at times. I lost my appetite. I grew thin, pale and lifeless. I felt off till I only weighed about 115 pounds.

"Cardui was recommended to me and by the time I had taken one bottle I saw it was what I needed. I ate more and

rested better. I kept taking it and my skin and flesh took on a more healthy color. I felt stronger and, as the nervousness left me, the pain in my side was less severe. After taking nine bottles, I eat anything, go anywhere and feel fine. I weigh 160 pounds and am well. I feel that I owe it all to having used Cardui."

Pain, in certain parts of the body, is a sure indication of female complications. The treatment needed is not the use of narcotic drugs, but—

INTERCHOLASTIC LEAGUE DISTRICT AWARDS.

In the meet held at Uvalde Friday and Saturday, April 11 and 12, Devine won the cup for the Class A schools and Carrizo Springs won the one for Class B schools.

Neither of these schools scored highest in the events held there Friday and Saturday. Uvalde scored a total of 62 points to Devine's 50, but as basketball championship counts 20 points, Devine won the cup by a score of 70 to Uvalde's 62. Hondo made the highest score in the Class B division, but did not score in literary events, and so forfeits the cup. Hondo scored 40 points while Carrizo Springs, the winner, scored 35.

The rains Wednesday and Thursday kept a large number of people away so the attendance was smaller than in several years. The meet was held under the direction of A. B. Smith, Devine; R. C. Tate, Devine; Miss Dalton, Uvalde; J. D. Howell, Hondo, and R. A. Lewis, Carrizo Springs.

Scoring was as follows:

Junior girls: First, Annie Jane Royall, Carrizo Springs; second, tie between Harriett Martin, Brackettville, and Clena Johnson, Pearsall; third, Mary Lucille Miller, Uvalde.

Junior boys: First, Wayne Love, Del Rio; second, R. A. Taylor, Crystal City; third, Claude Burgin, Yancey; fourth, Presly Smith, Uvalde.

Rural Schools, senior girls: First, Fay Johnson, Rio Frio; second, Lila Riggs, Buckhorn school, Frio County; Senior boy: Ashley Burton, Rio Frio, by default.

Junior girls: First, Mary Whitwell, Buckhorn School, Frio County; second, Maggie McFadin, Aldine School, Uvalde County.

Junior boys: First, Edward Johnson, Rio Frio, Real County; second, Paul Woodward, Buckhorn School.

Music memory contest: First, Uvalde, Elizabeth Mayhew, P. A. Guyon, Susie Hardin and Eva Wakefield. All four members of this team scored 100 per cent. Second, Rocksprings, Ben Jack Cloudt and Willnie Lovelady; third, Carrizo Springs, Edwina Gardner, Pearl Sanders, Beth Jeffrey and Jimmie K. Childress.

Debates—Devine won all debates. Boys: Devine, first, Hartly Howard and Hollie Cadenhead; Pearsall, second, Robert Sorrell and Woodman Foster.

Girls: Devine, first, Loyie Sollock and Modena Killough; Uvalde, second, Ruth Lewis and Gladys Strickland.

Essay: Class A, first, Uvalde, Charline Bond; second, Devine, Alice Selman. Class B, first, Carrizo Springs, Gladys Cottle.

Rural schools, Laura Kralick, Castroville.

Tennis:

Boys' doubles: Homer Wilson and Joe Harvey Wilson of Hondo, first. Girls' doubles: Ella Ruth Blanchette and Hattie Stockley of Uvalde, first.

Boys' singles: Homer Wilson of Hondo, first.

Girls' singles: Cornelia Hedrick of Uvalde, first.

Class A track teams: Devine first, 60 points; Uvalde second, 41 points. Class B track teams: Hondo first, 43 points; Pearsall second, 20 points.

The judges for the meet were: Mr. Thomas, Mr. Butler and Mrs. Bolton from Main Avenue High School, San Antonio, and C. C. Bush, athletics, also of San Antonio.

An Overland Song.

(To the tune of "John Brown's Body".)

Howdy, Mr. Willys, we have met with you before,
We've worked like hell in '23, we're going to work some more,
Just watch us set the world on fire in 1924.
As we keep selling on.

We are strong for you, John Willys,
We are strong for you, John Willys,
We are strong for you, John Willys,
We'll follow you as before.

You've given us a line of cars that any one can sell,
And every time we make a sale, we make a friend as well,
We've made it tough for Chevrolet, we've given Henry hell,
And we'll keep selling on.

We are for you, Mr. Willys,
We are for you, Mr. Willys,
We are for you, Mr. Willys,
You've made our profits swell.

We hail you as a leader, your predictions have been right,
Your efforts have inspired us, and you've filled us full of fight,
May the years ahead be prosperous, is our wish for you tonight,
As you keep marching on.

We have faith in you, John Willys,
Stronger faith in you, John Willys,
Listen to us, Mr. Willys,
For you we'll always fight.

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 75c per bottle
